Dear Budapest Contemporary Dance Academy,

I hope this email finds you well.

This is Kiana from **Unity Space**, we previously sent you information about the upcoming **2nd EAST POINT WEST I Interdisciplinary Festival of Embodiment (EPW I IFE)** that we will be organising in Kuala Lumpur, Malaysia during 3-13th July 2019.

I wanted to send you some further updates about the festival and also about the last 2 **full** and **half scholarships** we have to offer to artists. We are aware that the dance profession is not easy, especially when artists have just graduated or still studying.

We are really excited about what this festival has to offer to dance artists and the dance world, so we would like to share it to your dance artists and colleagues in order to bring a beautiful community together.

It is a festival where participants can experience dance, as well as other diverse forms of art from across the world.

We held a successful **1st EPW I IFE** in 2018 having 80 artists and 20 teachers, so we look forward to creating the same space of integration and transformation once again.

An experienced and knowledgeable team of international teachers will be holding both elective and performance workshops, culminating in a final public performance at our partner venue, the Kuala Lumpur Performing Arts Centre, on July 13th.

If you are interested or know students or alumni that you feel would like to join, please pass this information on.

Feel free to contact me or the Artistic Director Vangelis Legakis (v.legakis@unityspace.org). He is an international dance artist, teacher, choreographer and festival producer and presenter. He has had over 20 years of experience in dance and choreography, as well as in eastern philosophies such as Qigong, Yoga and Martial Arts. This is the reason he is taking the initiative to create this kind of a festival, aiming to enhance dance and performance for all artists. <https://east-point-west.unityspace.org/epwteam/>

You can find direct access to the festival teachers here: <https://east-point-west.unityspace.org/>
and also at the FB
event: [/www.facebook.com/events/652530765143663](https://www.facebook.com/events/652530765143663)

I have also attached a brochure with all information needed so you can share and send it to your contacts.

I look forward to hearing from you soon.

With warmth,

Kiana
